Who we are

The Islamic Community Center of Anchorage, Alaska (ICCAA) is a non profit organization with 501(c)(3) status.

ICCAA currently rents a unit in a strip mall where we provide a variety of Islamic services to the community.

Our rented space can accommodate only 150-200 individuals. With growing Muslim population, we must rent a larger facility to accommodate Eid prayers, Islamic lectures, da'wah events, and other large community events.

Our Goals

- Establish the first Masjid and School within an Islamic Community Center that will be a beacon highlighting the values of Islam.
- Having a Monday through Friday school teaching Islamic values and regular curriculum.
- Islamic daycare center and playground.

Our Efforts

1. Alhamdulillah, We have completed the outer shell of Alaska First Masjid including the Roof.
2. We installed the underground heating for most of the Masjid and the concrete Slab.
3. Currently we have contracted electrician, plumbers and others.
4. Our goal this summer to finish "Part of the Masjid and Obtain certificate of occupancy.

Alaska construction season always short, but your generous donations will make it happened before the snow season arrives inshallah.
